 3. **Can we move up the installation of the new windows so that it gets done sooner than originally proposed.**
 4. **We need more parking at the complexes. With community members using the Community Centers during the day, there is always a parking problem.**

 6. **What's the purpose of the HUD apartment inspections if Hud isn't going to give more money to correct the problems they note. The money just goes so far and has to be prioritized each year, so, next year, the problems may still be there. Nassau County's Consolidated Plan serves as the county's official application For the U. S. Department of Housing and Urban Development (HUD) Office Of Community Planning and Development entitlement programs. The Consolidated Plan includes an Action Plan, which includes two elements:

1) the description of the federal, state, city, private and nonprofit funding for housing, homeless assistance and prevention, supportive housing services, and community development activities; and 2) the Supportive Housing Continuum of Care for Homeless and Other Special needs populations which describes the County's coordination of supportive housing services to the homeless and special needs populations.

the public housing agency plans embody, in many respects, the concept of HUD's Consolidated Plan. The PHA plans provide a planning mechanism by which a PHA can examine its long-term and short-term strategies for addressing those needs. Like the Consolidated Plan, the PHA Plans involve consultation with effected groups in the development of the plan.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The goal of the Authority's PHDEP is to provide decent safe housing for its residents by continuing to conduct effective strategies to eliminate drugs and drug-related crime in and around its public housing developments. In addition to its ongoing management and administrative initiatives, i.e., stricter screening and eviction procedures ("One Strike and You're Out" Policy), on-site visits and numerous other anti-drug/security measures enumerated in previous successful PHDEP Grant Applications (PHDEP 90-99). The Housing Authority has had a comprehensive PHDEP since 1990 which incorporates law enforcement, prevention and intervention components. The Police Department will continue to provide additional uniformed police coverage; critical substance abuse and other necessary quality of life referrals will be continued and the numerous educational, recreational, and employment/training initiatives will be enhanced. Government agencies, the private sector and our resident community have supported and participated in all previous PHDEP'S. These entities will continue to monitor and evaluate the PHDEP activities.
